U.S. News and World Report Ranks JU Among Top Universities in the South

For the third year in a row, Jacksonville University secured its place among the top 25 percent of regional universities on *U.S. News & World Report's* list of Best Colleges, a prestigious annual ranking of the best colleges and universities throughout the country. This year the University also earned national recognition for its flagship programs in nursing and business, its ethnically diverse student body, and the value of its premier academic programs.

JU Expands Partnership with Brooks Rehabilitation

Continuing its commitment to educating and training skilled healthcare workers to meet the rising demand for quality clinical services in Northeast Florida and beyond, Jacksonville University (JU) announced the expansion of its relationship with longstanding partner Brooks Rehabilitation. A \$1.5 million commitment from Brooks Rehabilitation will support the creation of a new Doctor of Physical Therapy (DPT) program in the Jacksonville University Brooks Rehabilitation College of Healthcare Sciences School of Applied Health Sciences and will create the Brooks Rehabilitation Nursing Excellence Scholarship program within the Keigwin School of Nursing.
