

Jacksonville University Club Sport Classification System

Club must satisfy the following criteria to obtain and retain club sport status.

Please record the appropriate events on Google Forms.

1. Club must participate and represent Jacksonville University for at least 1 event, not including a national event.

- The event can be local
- Jacksonville University can host the event
- A club can travel for the event

2. Club must participate in Jacksonville University's Dolphin Dash – Annual Giving Challenge.

3. Club must participate in community or campus service projects with a minimum of 50 total service hours, in at least 1 distinct event.

- At least five club members must participate toward the 50 hours
- A club member may not attend an event as a representative of 2 separate clubs
- If 10 people worked for 3 hours = 30 hours

4. Club members must attend a NCAA contest, Varsity contest, club sport event, Fine Arts event, or Diversity & Inclusion event as spectators abiding by the following regulations:

- 5 members must attend 2 varsity contests/club sport events
- Must be in attendance for entire game/event or at least 2 hours to receive credit
- A club member may not attend an event as a representative of 2 separate clubs
- Must be 2 distinct varsity contests or club sports (men's & women's soccer are considered the same sport and will only count once)
- Must take a picture of everyone there to receive credit

5. Club must have an active social media presence on at least one of the following outlets:

- Instagram, Facebook, Twitter
- Clubs must post at least once a week
