## CURRICULUM VITAE

### SUMMARY OF QUALIFICATIONS

---

- Over 30 years professional nursing experience with clinical focus in women's health care and staff development
- Eleven years experience as clinical assistant professor of nursing with involvement at graduate and undergraduate levels

### PROFESSIONAL EXPERIENCE

---

*Assistant Clinical Professor*, Jacksonville University Keigwin School of Nursing, 2010- present. Responsible for the coordination, planning, preparation, presentation, and evaluation of classroom and clinical instruction as well as related activities including instructional counseling, academic advising, service on various departmental and university-wide committees. Previously coordinated senior capstone clinicals for 100+ students per year throughout NE Florida with oversight of 8-11 faculty per semester. Also coordinated maternal-newborn clinicals and acted a sophomore faculty coordinator for all entry level courses within the School. Taught students in courses via campus-based, off-site cohort, and on-line delivery. Didactic instruction included microbiology for the University's College of Arts and Sciences; within KSON: undergraduate and graduate research, undergraduate and graduate pathophysiology, undergraduate assessment, undergraduate foundations, and maternal-newborn nursing. Clinical instruction included medical-surgical nursing, maternal-newborn nursing, undergraduate capstone clinical, and site supervision of FNP students.

*Graduate Assistant*, University of Florida College of Nursing, Gainesville, FL, 2007-2010. As teaching assistant, development and implementation of web-based graduate nursing courses. As research assistant, provided technical and administrative support for the Florida arm of the Multi-State Nursing Care and Patient Safety Study.

*Clinical Educator*, Baptist Medical Center, Jacksonville, Florida, 2004 to 2006. System-wide coordination and implementation of new hire orientation for Adult Nursing Services. Development and implementation of nurse residency programs for newly-licensed RNs as well as LDRP nursing internship.

*Staff Nurse*, Regional Obstetric Consultants, Jacksonville, Florida, 1990- 2001. Responsibilities included genetic counseling for referral-based, high-risk perinatal practice.

*Staff Nurse*, St. Vincent's Medical Center, Jacksonville, Florida, 1995-1997. Supported data analysis of M&M statistics. Also, other staff nurse duties within Women's Health Division.

*Nurse*, Baptist Medical Center, Jacksonville, Florida, 1979- 1990. Variety of roles for Women's Services Division including staff education and staff development. Co-founder and facilitator of bereavement support programs for adult, children and maternal services. Staff nurse in GYN, term nursery, postpartum and labor and delivery units.
