

BUSINESS

Accelerated Bachelor to Business Master's Program

Davis Grad2Grad Program Overview

Jump start your career! The Davis 4+1 or 3 + 1 Grad2Grad Program allows students to develop educational credentials that distinguish them in the job market.

The Davis Grad2Grad program can be achieved in either a 5 year (4 + 1) or 4 year (3 + 1) format depending on your goals and the availability of a customized class schedule for your programs.

- * Students with a 3.0 GPA or higher can apply for the Grad2Grad Program during their sophomore and junior years. Gifted first year students are invited by the Davis College of Business to apply early.
- * Seniors will have the opportunity to accelerate their entrance into the graduate business program by taking graduate classes in their senior year.
- * Allows students to earn an undergraduate and graduate degree in four or five years.
- * Cost of obtaining both degrees is reduced significantly since graduate prerequisites taken at the undergraduate level and up to 12 credits may apply to both degrees. This could **reduce the graduate program cost of tuition by up to 25%**.
- * 4 + 1 and 3 + 1 Grad2Grad students receive first priority at graduate assistantships that are available.

Example of possible Graduate classes* that can be taken in your senior year and applied towards a Business Master's Program:
